Chemical Logistics Cooperation in Central and Eastern Europe

1st ChemLog Dissemination Conference

24 June 2009 in Prague

Hotel Adria, Venceslav Square

ChemLog is a European cooperation project between regional authorities, chemical industry associations and scientific institutions from Germany, Poland, Czech Republic, Slovakia, Hungary, Austria and Italy with the objective to strengthen competitiveness of the chemical industry by improving framework conditions for supply chain management in Central and Eastern Europe.

ChemLog wants to overcome barriers for transnational transport in the West-East and East-West dimension by initiating a broad process of exchange of experience and facilitating the development of transnational infrastructure projects with high relevance for the chemical industry.

ChemLog respectively the project partners aim to establish fruitful cooperation with relevant administrative entities from regional, national and European level, chambers, associations, enterprises and logistic providers to identify priorities and find common solutions for the improvement of logistic infrastructure in Central and Eastern Europe.

ChemLog invites interested stakeholders to contribute to these objectives. With the organisation of the first Dissemination Event on 24th of June in Prague, the project partners will present first results of activities and discuss it with representatives from politics and industry. The conference should pave the way for further intensification of exchange of experience and improvement of framework conditions for chemical logistics in Central and Eastern Europe. We are looking forward to a fruitful discussion.

More information: www.chemlog.info

The project is implemented through the Central Europe Programme, cofinanced by the ERDF. www.central2013.eu

Chemical Logistics Cooperation in Central and Eastern Europe

1st ChemLog Dissemination Conference

24 June 2009 in Prague

Hotel Adria, Venceslav Square

Agenda

9:00 Registration and Coffee

9:30 Welcome

- Mr. Ladislav Novák, Director Association of Czech Chemical Industry
- Ministry of the Czech Government (tbc)
- Detlef Schubert, Secretary of State Ministry for Economy and Labour, Saxony-Anhalt

Include: Surname, name, title; Organization; Phone; E-mail address

Hotel recommendation

Adria Hotel Prague, Václavské namesti 26
110 00 Praha 1, Tel. +420/ 221 081 111
Fax. +420/ 221 081 300, E-mail: accom@adria.cz

Travel information

From Prague Airport:

Take the bus Nr. 119 at the airport and get off at the final stop "Dejvická". Change for the metro line A and go to the station "Můstek". Get off at the rear side of the train. You will be at the bottom end of the Venceslav Square. Looking up to the statue in the upper part of the square, the hotel is to your right. The journey will cost 26 crowns (approximately 1 Euro) or 30 crowns, if you buy the ticket directly on the bus.
